The image displays a series of 14 numbered lines of ancient Egyptian hieroglyphic script. The text is arranged in two columns per line. The first column typically begins with a large, hatched sun disk at the start of each line. The second column contains a variety of symbols, including the horizon line, a seated figure, a kneeling figure, a bird, a cartouche, and other geometric and symbolic motifs. The script is written in black ink on a light-colored background.
